

Approved Products List (APL) Food Addition Request Form

INSTRUCTION: Complete this form to request food product(s) be added to the Alaska WIC Approved Products List. If you would like to submit a list of products, please submit your own document featuring all of the information requested on this form in an easily understood and readable format.

PROCESSING: Review of submitted information may take up to 30 days. If approved, the food product will be added to the APL and will be available for purchase with eWIC benefits within the state of Alaska. An updated APL will be periodically posted on the WIC website at <http://wic.alaska.gov> to accommodate inquiries as to the status of requests received.
